

# 2018 Wildflower Walks

Stanthorpe's Rare Wildflower Consortium is again preparing to host Wildflower Walks this coming 2018 Spring/Summer season.

These walks are immensely popular with locals and visitors to the area. The walks are open to anyone interested in learning more about the unique local flora of the Granite Belt.

## Wildflower Walk 3

**Date:** Sunday 4 Nov 2018 - meet at 9.30 am for 10.00 start

**Location:** 4071 Mt Lindesay Rd, 5km S of Wilson's Downfall

### What to bring:

- hat
- sturdy shoes
- sunscreen
- water
- camera
- binoculars
- morning tea/lunch

### NOTES:

Meet at: 4071 Mt Lindesay Road, about 5km south of Wilson's Downfall.

All walks start at 9:30am and aim to finish by 12:30pm  
Groups will be led by botanical guides who can assist in the identification of wildflowers and answer questions.

Wildflower books will be available for purchase at each walk.  
Bookings not required, just turn up on the day. Entry is free.  
Check website and facebook page below for updates.

Amenities not available.
